MEMORANDUM FOR: [REDACTED]

SUBJECT : [REDACTED] 25X1A

25X1A

Office of Security records of holders of codeword clearances reveal that [REDACTED] held SI and TKH when he was with DD/R&E and DIA certified to his security clearability. He was debriefed on 1 July 1966. The same records disclose that in February 1963 he was approved for a C and an O but there is no record that he had actually been briefed on these projects.

Office of Security File contains no derogatory information.
